**C**

**G**

**F**

And if you ask me I will stay, I will stay

Well I tried to live without you

But tears fall from my eyes

Im alone and I feel empty

Im torn apart inside

I look up at the stars  
Hoping you are doing the same  
And somehow I feel closer  
And I can hear you say

Oooohh I miss you  
Oooohh I need you  
And I love you more than I did before  
And if today I dont see your face  
Nothings changed, no one can take your place  
It gets harder everyday  
Say you love me more than you did before  
And Im sorry its this way  
But Im coming home, Iâ€™ll be coming home  
And if you ask me I will stay, I will stay, always stay

I never wanna lose you  
And if I had to I would choose you  
So stay, please always stay  
Youre the one that I hold on to  
My heart would stop without you

I love you more than I did before  
And if today I dont see your face  
Nothingâ€™s changed, no one can take your place  
It gets harder everyday  
Say you love me more than you did before  
And Im sorry that its this way  
But Im coming home, ill be coming home  
And if you ask me I will stay, I will stay, ill always stay  
And I love you more than I did before  
And Im sorry that itâ€™s this way  
But Iâ€™m coming home, ill be coming home  
And if you ask I will stay, I will stay, I will stay
