THE DRIVEWAY - Miley Cyrus

Tuning: Standard

A Miley Cyrus song I saw was a request, so I tabbed it out. It is probably about 85-90%

Watching Hannah Montana is one of my guilty pleasures not many people know about. Email about mistakes and I can change them. Feel free to rate and comment!

Intro: **E**

E

After twelve, not so well

A

Won't pretend it's too soon to tell

E

What's round this bend

No disgrace... about face...

A

Anything not to have to chase

E

You down again

You know

F#m

Nothing hurts like losing

E

When you know it's really gone

F#m

Except for the pain of choosing

A

To hold too long

E

I tried it your way

A

But I got nothing to show

E

It's been the same, same

C#m

B

And the story s getting old

E

So I guess the driveway

A

Will be the end of the road

E

For us it s too late

C#m

B

Let the credits start to roll

A lot to say, but not today

Let the radio break the silence

As we drive

A kiss goodbye, not this time

Don t remember what about this song

I ever liked

You know

Nothing hurts like losing

When you know it s really gone

Except for the pain of choosing

To hold too long

I tried it your way

But I got nothing to show

It s been the same, same

And the story s getting old

So I guess the driveway

Will be the end of the road

For us it s too late

Let the credits start to roll

E

I thought we were getting somewhere

A

But we re still nowhere at all

E

I watch your tail lights fading

A

B

I try but the tears wont fall

E

I remember what it feels like to know

A

Love and have it taken away

E

Can t think of what I learned right now

A

B

But I ll be thanking you someday

I tried it your way

But I got nothing to show

It s been the same, same

And the story s getting old

So I guess the driveway

Will be the end of the road
For us it s too late
Let the credits start to roll

Let the credits start to roll

So I guess the driveway
Will be the end of the road
(Be the end of the road)

Will be the end of the road
(Be the end of the road)
