[FIX VERS:]

G **D** **Am** **C**
These four walls, they whisper to me
G **D** **Am** **C**
They know a secret I knew they would not keep
Em **D** **C#dim** **C**
It didn't take long for the room to fill with dust
G **D** **Am** **D**
And these four walls came down around us

[Chorus]

Cadd9 **G** **D** **Em**
It must have been something to send me out of my head
Cadd9 **G** **D** **Em**
With the words so radical and not what I meant
Cadd9 **G** **D** **Am**
Now I wait for a break, in the silence cause it's all that you left
C **G** **D**
Just me and these four walls again

[Verse 2]

Am **C**
It's hard now to let you be
G **D** **Am** **C**
I won't make excuses, I've made my peace
Em **D** **C#dim** **C**
It didn't take long for me to lose the trust
G **D** **Am** **D**
Cause these four walls, they're not strong enough

[Chorus]

Cadd9 **G** **D** **Em**
It must have been something to send me out of my head
Cadd9 **G** **D** **Em**
With the words so radical and not what I meant
Cadd9 **G** **D** **Am**
Now I wait for a break, in the silence cause it's all that you left
C **Em**

Just me and these four walls again

[Bridge]

Yeah it s difficult, watching us fade

Knowing it s all my fault, my mistake

Yeah it s difficult letting you down

Knowing it s all my fault, that you re not around

[Chorus]

It must have been something to send me out of my head

With the words so radical and not what I meant

Now I wait for a break, in the silence cause it s all that you left

Just me and these four walls again
