

Wrecking Ball
Miley Cyrus

This is my first submission. also you can play around with the **B** I understand it

sounds a little weird.

*strum once

Standard Tuning

[Intro]

Ebm F# C# B

[Verse]

Ebm	F#
We clawed, we chained our hearts in vain	
C#	B
We jumped, never asking why	
Ebm	F#
We kissed, I fell under your spell	
C#	B
A love no one could deny	

[Pre-Chorus]

B	Ebm
Donâ€™t you ever say I just walked away	
F#	B
I will always want you	
B	Ebm
I canâ€™t live a lie, running for my life	
F#	Bb*
I will always want you	

[Chorus]

	F#	
I came in like a wrecking ball		
C#	Ebm	
I never hit so hard in love		
B	F#	
All I wanted was to break your walls		
C#	Ebm	B
All you ever did was wreck me		
	Ebm	B
Yeah, you wreck me		

[Verse]

Ebm **F#**
I put you high up in the sky
C# **B**
And now, you're not coming down
Ebm **F#**
It slowly turned, you let me burn
C# **B**
And now, we're ashes on the ground

[Pre-Chorus]

B **Ebm**
Don't you ever say I just walked away
F# **B**
I will always want you
B **Ebm**
I can't live a lie, running for my life
F **B***
I will always want you

[Chorus]

F#
I came in like a wrecking ball
C# **Ebm**
I never hit so hard in love
B **F#**
All I wanted was to break your walls
C# **Ebm** **B**
All you ever did was wreck me
F#
I came in like a wrecking ball
C# **Ebm**
Yeah, I just closed my eyes and swung
B **F#**
Left me crouching in a blaze and fall
C# **Ebm** **B**
All you ever did was wreck me
Ebm **B**
Yeah, you wreck me

[Bridge]

B **Ebm**
I never meant to start a war
F#
I just wanted you to let me in
Bbm

And instead of using force

B

I guess I shouldâ€™ve let you in
