Wrecking Ball
Miley Cyrus

This is my first submission. also you can play around with the **G#** I understand
it
sounds a little weird.
*strum once
Standard Tuning

[Intro]

Cm Eb Bb G#

[Verse]

```
    Cm                      Eb
 We clawed, we chained our hearts in vain
    Bb                      G#
 We jumped, never asking why
    Cm                 Eb
 We kissed, I fell under your spell
   Bb                   G#
 A love no one could deny
```

[Pre-Chorus]

```
  G#                    Cm
 Donâ€™t you ever say I just walked away
 Eb                   G#
 I will always want you
 G#                      Cm
 I canâ€™t live a lie, running for my life
 Eb                     Bb*
 I will always want you
```

[Chorus]

```
                 Eb
 I came in like a wrecking ball
 Bb              Cm
 I never hit so hard in love
 G#                   Eb
 All I wanted was to break your walls
 Bb                      Cm    G#
 All you ever did was wreck me
           Cm     G#
 Yeah, you wreck me
```

[Verse]

```
  Cm                Eb
I put you high up in the sky
    Bb                      G#
And now, youâ€™re not coming down
Cm                      Eb
It slowly turned, you let me burn
    Bb                      G#
And now, weâ€™re ashes on the ground
```

[Pre-Chorus]

```
 G#                    Cm
Donâ€™t you ever say I just walked away
Eb                  G#
I will always want you
G#                    Cm
I canâ€™t live a lie, running for my life
F                    G#*
I will always want you
```

[Chorus]

```
                  Eb
I came in like a wrecking ball
Bb             Cm
I never hit so hard in love
G#                    Eb
All I wanted was to break your walls
Bb                      Cm   G#
All you ever did was wreck me
                  Eb
I came in like a wrecking ball
Bb                      Cm
Yeah, I just closed my eyes and swung
G#                      Eb
Left me crouching in a blaze and fall
Bb                  Cm     G#
All you ever did was wreck me
          Cm    G#
Yeah, you wreck me
```

[Bridge]

```
 G#                      Cm
I never meant to start a war
                          Eb
I just wanted you to let me in
                    Gm
```

And instead of using force

              G#
I guess I shouldâ€™ve let you in

            Cm
I never meant to start a war

              Eb
I just wanted you to let me in

            Gm
I guess I shouldâ€™ve let you in

G#   **Cm**
Donâ€™t you ever say I just walked away
Eb   **G#***
I will always want you

[Chorus]

           Eb
I came in like a wrecking ball
Bb   **Cm**
I never hit so hard in love
G#   **Eb**
All I wanted was to break your walls
Bb   **Cm** **G#**
All you ever did was wreck me
         Eb
I came in like a wrecking ball
Bb   **Cm**
Yeah, I just closed my eyes and swung
G#   **Eb**
Left me crouching in a blaze and fall
Bb   **Cm** **G#**
All you ever did was wreck me
     Cm   **G#**
Yeah, you wreck me
     Cm   **G#**
Yeah, you wreck me
