Blossom
Milky Chance

```
         C#m E                    G#     A
 Cause I m tired of all this talking
                    C#m E              G#     A
 Cause everything you hear is empty woooooooords
          C#m E       G#     A
But who am I, oh to say this
                    C#m E              G#     A
Cause everything you hear is just words, yeah
```

[Pré-Refrão]

```
C#m       A
  Have to trust in,
C#m       A
  Someone trust in
C#m       A
Someone trust in someone
G#          F#m
Cause the truth is
```

[Refrão]

```
E        F#m        C#m
 Cause all I need, is to see you to blossom out
        A      B                   E
To Blossom out, Blossom out, Blossom out
     F#m              C#m
And all I feel, is that I need you to blossom out
        A      B                   E
To Blossom out, Blossom out, Blossom out
```

```
      C#m E                 G# A
In downtime, with constant sorrow, yeah
                  C#m E          G#     A
 Cause everything you care is just wooooooords
            C#m E       G#     A
So what s the point, of going somewhere
                 C#m E          G#       A
And everyone you see, is just nothing but confused
```

[Pré-Refrão]
