Riff 1:

I ve never been running so far, so endless far
When will I try to stand the pain of my all-time-hurting-feet
And what about you, you drunken soul?
Is it your own will to go on and on until I die?
Or are you going to give up now?

to give up now (4x)

Riff 2: (a parte do baixo (Riff 2) começa primeiro, depois vem o Riff 3 ao mesmo

tempo)

I ve never been running so real, so immense real
When will I fall into your heart?
I want to feel your flimsy fingers ripping up
the coat of blind
And what about you, you heavy soul?
Is it your own will to go on and on until I die?
Or are you going to give up now?

to give up now

Riff 1:

I ve never been running so far, so endless far
When will I fall into the mud?
I want to break those circle-rules
I want to dance the waltz with you
And what about you, you missing soul?
Is it your own will to go on and on until I die?
Or are you going to give up now?

to give up now (4x)

Riff 2:

(I I never run so re e e e e e)

I ve never been running so real, so immense real
When will I fall into your heart?
I want to feel your flimsy fingers ripping up
the coat of blind
And what about you, you heavy soul?
Is it your own will to go on and on until I die?
Or are you going to give up now?
