Milky Chance

[Intro] Am Em F C  
Am Em F C

[Primeira Parte]

Am Em F C  
Don't get me wrong, we've been here not far too long  
Am Em F C  
We were falling and laughing, now we're falling apart  
Am Em F C  
My baby blue, this is how I feel for you  
Am Em F C  
I still want you so bad, am I losing you instead?

[Pré-Refrão]

Am Em F C  
You, you stole my heart with grace  
Am Em F C  
But I'm just dying to embrace  
Am Em F C  
You, you stole my heart with grace  
Am Em F C  
And I don't want you to give it back to me

( Am Em F )

[Refrão]

Am Em F  
Oh, I gotta see you dancing on the edge  
Am Em F  
Every time you try to run, I lose my breath  
C Em F  
I don't wanna see you down and far

( Am Em F C )

Am Em F C  
Last time is stone, but we learnt to carry on  
Am Em F C  
But when the love spins inside, it's the cold that makes you hard  
Am Em F C  
My baby blue, this is what we're going through

**Am**                      **Em**                      **F**                      **C**  
We re doing good, we re going mad and after all, it s not too bad

[Pré-Refrão]

**Am**              **Em**              **F**              **C**  
Cause you, you stole my heart with grace

**Am**              **Em**              **F**              **C**  
But I m just dying to embrace

**Am**              **Em**              **F**              **C**  
You, you stole my heart with grace

**Am**              **Em**              **F**              **C**  
And I don t want you to give it back to me

[Refrão]

**Am**                      **Em**                      **F**  
Oh, I gotta see you dancing on the edge

**Am**                      **Em**                      **F**  
Every time you try to run, I lose my breath

**C**                      **Em**                      **F**  
I don t wanna see you down and far
