

Unknown Song
Milky Chance

Ab **Cm**
Through the years I have learned
Fm
That I conquered my words
Ab
Set him up in fortune, falling in love
Cm **Fm**
Love is meaning now and you are the one who made it true
Ab
And my blood seems obviously, you are a haunted melody
Cm **Fm**
I try to forget you know memories
Ab
I m still on the run you re begging on my knees
Cm **Fm**
Will I ever learn how to get control?
Will I ever know you covered my soul?

Chorus x2:

Ab **Cm**
Wooo wo oh oh wouwo
Fm
Your friends are gonna know
Db
You f**ked up by yourself
Y yeah yeah
Ab **Cm**
Wo uh wo oh wouwo
Fm **Db**
They ll leave you all alone and now you re on your own
Y yeah yeah

Ponte: (**Ab Cm Em**) (4x)
