

Brand New Game
Millencolin

E5 **B5**
Do you remember Fazil s friend?
C#5
He used to live in the house of blend,
A5
he told a story of his life,

about a fork and knife.
E5 **B5**
He said when he was 22,
C#5
he was mostly feeling blue.
A5
I wonder what he s up to now,

if he s changed somehow?

G# **A5**
Did he ever find his way to the greener side?
G# **A5**
Or did he get his dreams denied?

E5 **B5** **C#5**
I m not the same, the years have passed.
A5 **E5**
It kind of scares me how it went so fast.
B5 **C#5**
This brand new game, will I surpass?
A5 **E5**
When all I wanted was to make it last.

Etc.

-----Bridge-----

C#5
It s a brand new game and not quite what i thought.
G#5 **A5**
I can t remain the same but still achieve a lot.
G#5 **A5**
It s a brand new game and who will I surpass?
A5 **E5** **C#5**
With one foot stuck in the past?
F **A5**
...how can I ever make it last?

Enjoy
