HOME FROM HOME - Millencolin

Tabbed by: dodlhuat

Tuning: Standard

Intro: **E A** x6

A **D**
For six weeks I had this job
E **A**
Cleaning the local hospital
A **D**
The pay was o.k. but I didn t like to swab
E **A**
So I changed it for a bass guitar
A **D**
Boredom was my companion
E **A**
Stuck to me like glue
A **D**
But I broke the bond
E **A**
To make some dreams come true

A E x2

A **D**
Like a street to a hustler, a face to the soul
E **A**
It s the one and the only place we control
A **D**
It s our reality, not just a poem
E **A**
It s a place that we call home

A **D**
For some time I went to school
E **A**
Tried to learn what s right and wrong
A
I didn t like their schemes
D
I couldn t buy their rules
E **A**
So I went back to where I belong
A **D**

You gotta love the sound

E A

Of that guitar and the bass

A D

The snare it sounds like a gunfire

E A

It s like a thousand decibel punch in the face

A D

Like a street to a hustler, a face to the soul

E A

It s the one and the only place we control

A D

It s our reality, not just a poem

E A

It s a place that we call home

A D

Like a street to a hustler, a face to the soul

E A

It s the one and the only place we control

A D

It s our reality, not just a poem

E A

It s a place that we call home

E

East or West ? well home is the best!

E

Though I sometimes feel like a clown

E

But I ve also had the feeling. Yes!

E

That I m unstoppable

E A

And that no one can bring me down

A D E A x4

A E x4

A D

Like a street to a hustler, a face to the soul

E A

It s the one and the only place we control

A D

It s our reality, not just a poem

E A

It s a place that we call home

A D

Like a street to a hustler, a face to the soul

E A

It s the one and the only place we control

A **D**

It s our reality, not just a poem

E **A**

It s a place that we call home

A **D**

Step right in

E **A**

Erase what s on your mind

A **D**

Step right in

E **A**

Leave everything behind

E **A**

Leave it behind

E **A**

Leave it behind

E **A**

Leave it behind
