WE DID IT !!! This is a brand new Millencolin song off their new album FOR
MONKEYS. This chord/tab was a load of work, so we d really appreciate your
comments/corrections (if necessary).The powerchords are explained below the
song.
     PUZZLE - MILLENCOLIN

INTRO(You gotta find out the rhythm by yourself, something fast):

```
A    - E  - D ------|
A - C#   |- play this progression two times
A    - F# - E ------|
```

VERSE 1 (Guitar break / Bass plays alone, Vocals start):

Here we are again with another bunch of soft songs,
C#   **D**   **E**
Maybe you are wondering why it took us so long,
A   (ska strummin with clean upstrokes)
With a schedule tight, studiotime in sight, we have mostly been out touring
C#   D   E   (pick scrape guitar 2)
Inspiration has been hard this time and honestly I ve had some problems

with all these rhymes.

CHORUS(play loud and with lots of distortion, find the rhythm with the CD):
F#   **D**   **E**   **A** - **C#**
We re under stress again, but it has always been that way
F#   **D**   **E**   **A** - **C#**

And once we get it right, then I know it s there to stay

VERSE 2:
```
A             A  (A*) F#                    D    A      (
```
