Yellow Dog by Millencolin

music: Mathias + Nikola
lyrics: Nikola

This is a neat little song by Millencolin, a skatecore band from Sweden. It s pretty easy, too. As usually it s damn fast and all power chords. Here you go. All comments, questions and corrections are welcome.

Intro: A5 - C5 - F5 - G5 (play twice)
Then a bunch of feedback with dead strings on G

Rhythm: A5 - C5 - F5 - G5 (2 times)

Verse: **A5 - C5 - F5 - G5**

Lyrics:

Tell me where you need to go, Kick me if you move too slow,
Hear me listen with your mind, See me even if you re blind

CHORUS: **A5 - F5 - G5 - D5**

Lyrics:

Will you walk with me right now? , Will you talk to me this time?
I can take away the fog , Waiting for my yellow dog

Verse2, Lyrics:

Tell me about the things you hide, Thrust me and I ll be by your side,
Don t lie to me or to yourself, Don t cry, Don t lay this on the shelf

Bridge: **F5 - E5 - D5 - F5 - G5 - D5 - F5 - E5 - D5**

Lyrics:

I always try to make things right, though it seems to be for nothing,
It s hard to accept the fact that you may not want me, think I ll keep on
treating you this way even though it may not change you, well that s my only
chance

Interlude: **A5 - C5 - F5 - G5** (play twice)

Verse3: **A5 - C5 - F5 - G5**

Lyrics:

Read my lips and listen if you can you try to be so damn cool, look inside
analyse

-----> E (low)
yourself then you ll see you and me

END ON -----> **A5**

That s it. If you have any questions or corrections: E-mail us. We re two
