

Little In The Middle
Milow

Capo on 9th fret

D A Bm G

D A Bm G

D G D
You always wanted to be

G D
Part of a circus company

G Bm A
For the fun and death defying

D G D
But in time you forgot

G D
life is small in the big top

G Bm A
And your dreams were slowly dying

Pre-Chorus:

Bm G D A
What you wanted
 Bm
was not a crime
 G
You could've done it

Chorus :

D A

Now you re always just a little

Bm

A little in the middle

G D

A little in the middle of where you re bound

A Bm

Always just a little in the middle

G

It keeps your head from spinning round

D A Bm G

D G D
Jugglers walk on the wire
 G D

Lions leap through hoops of fire

G Bm A

As the acrobats go flying

D G D

But what's the show all about

G D

When did your north get turned to south

G Bm A

And the truth turn to lying

Pre-Chorus:

Bm G D A

What you wanted

Bm

was not a crime

G

You could've done it but you needed time

Chorus:

D A

Now you're always just a little

Bm

A little in the middle

G

D

A little in the middle of where you're bound

A

Bm

Always just a little in the middle

G

It keeps your head from spinning round

D A Bm G

Pre-Chorus:

Bm G

But it's a hole you're digging

D

A

Bm

A hole you're digging you're doing it despite

Bm G

The so much more you're missing

D

A

D

More you're missing to your left and to your right

Chorus:

D A

Now you're always just a little

Bm

A little in the middle

G

D

A little in the middle of where you re bound

A

Bm

Always just a little in the middle
