Sitting on the bed next to the window		
Like a curling billboard drawing greasy ink		
The silence is a crime and you re in trouble		
Your photographs are cracked and faded pink		

The way you can remember how you got here  
Reminds you that they still don t have a clue  
The silence is a crime and you re in trouble  
Cause you say nothing, no you never do

And you just wanna make a difference  
So you don t want this, you don t want this anymore  
But you can never find the right words  
For your one way ticket out

Sitting on the bed next to the window  
It makes you wonder, will this ever change  
The silence is a crime and you re in trouble  
The words are sometimes hard to rearrange

And you just wanna make a difference  
So you don t want this, you don t want this anymore  
But you can never find the right words  
For your one way ticket out

It turn you on, it turn you off  
Stare right, your shoes they can t get enough  
Tickly tounge, you must recall  
Do do needed words at all

You re just speechless now  
We re only speechless now  
You re ready to speak just let it snow

And you just wanna make a difference  
So you don t want this, you don t want this anymore  
But you can never find the right words  
For your one way ticket out

And you just wanna make a difference  
So you don t want this, you don t want this anymore  
You can never find the right words  
For your one way ticket out

You just wanna make a difference  
You don t want this, you don t want this anymore  
You can never find the right words  
And you can never find the right words  
And you can never find the right words  
For your one way ticket out
