

**You Dont Know**  
**Milow**

The other versions here were quite good and correct. But when Milow play it, he use a for a F and he play the G a bit different.

Milow do a kind of hammer on, when he plays the Am and the Fmaj7 . It s kind of to play exactly like he plays, but if you play it with this tab and practice it a bit, you will it.

<http://www.youtube.com/watch?v=JBTh0Kmx6II&NR=1> In this video you can see, how he play it.

I hope this Tab can help you .
