

**Subsonic Words**  
**Mimicking Birds**

According to live performances, it seems Nate plays the chords like one would play **Em** and **Am** in standard tuning, except he clearly plays in a lower tuning.

As far as i can tell it is CGDGBD

	A11?	Am9/A11?
D	---x-----0----	
B	---0-----0----	
G	---0-----2----	
D	---2-----2----	
G	---2-----0----	
C	---x-----0----	

The strum pattern is basically down down up, down down up, down up (listen to the song for clarification). I would love some help figuring out the leads and bridge!
