Break Me Out
Mindflow

Gm
I walked upon the earth alone
F
I was torn away
I have fallen
But never bow

Gm
 Till my day arrives
F
I will learn how to live
Dying but standing on my feet

Eb   F   Gm
For someone inside an empty dream,
Eb   F   D
To find an exit takes lots of proving to do

Gm
I ll never forget,
F
I saw it in your eyes
Eb
You gave me the fire
F
That would break me out
Gm
Break me out
F
Break me out
Eb
Break me out
F
Just break me out

Gm
I let the rain
Erase my name
F
Cause now the struggle has a face
Gm
My fate unfolds
F
It s all getting clear
Lightning the darkness that once set in

Eb   F   Gm

I closed my fists and held it high
Eb   **F**
Forgave what haunts me
D
This time it s do it or die

Gm
I ll never forget,
F
I saw it in your eyes
Eb
You gave me the fire
F
That would break me out
Gm
Break me out
F
Break me out
Eb
Break me out
F
Just break me out
