

Circus Girl
Mindy Gledhill

[Verse]

E
I d travel near, travel far
A
If I could just be where you are
E
We d have a show
A
Like performers living life on the go
F#m
And I d tame bears and tigers
B7
Just as long as I could

[Chorus]

E **A** **A7**
Walk on a wire, jump through a fire for you
E **A** **A7**
Hang from my knees on a trapeze while you
E **A**
Make me spin
E **A**
Yes, you make me twirl
B **E**
Like a circus girl

[Verse]

E **A**
From overseas, we d acquire the most bizarre oddities
E
And charge quite the fee for the people
A
Who will flock just to see
F#m
I wonder what they d pay
B7
To see my heart on display

[Chorus]

E **A** **A7**
I d walk a wire, jump through a fire for you
E **A** **A7**
Hang from my knees on a trapeze while you
E **A**

Make me spin

Maybe I m too blind to see that

I am just the clown who follows you
