Mineral - Gloria

Bmadd11 **Bm7**                      Bmadd11 **Bm7**  
A brave morning  
Bmadd11 **Bm7**                                      Bmadd11 **G**  
Thoughts flap their wings and fly  
Bmadd11 **Bm7**                                      Bmadd11 **Bm7**  
And I can still taste  
Bmadd11 **Bm7**                                      Bmadd11 **G**  
Defeat on my lips

**Bm**                      **A**  
Bright tie fish fly  
**G\***  
I have not yet arrived  
**Bm**                      **A**  
How can I not admit  
**G\***  
I need to know you

**Bm**                                      **A**                                      **G**  
Cause I just want to be something more than the mud in your eyes  
**Bm**                      **A**                                      **G**  
I want to be the clay in your hands

Bmadd11 **Bm7**                      Bmadd11 **Bm7**  
Hey sorrow  
Bmadd11 **Bm7**                                      Bmadd11 **Bm7**  
where are you?  
Bmadd11 **Bm7**                                      Bmadd11 **Bm7**  
Tomorrow just won t be the  
Bmadd11 **Bm7**                                      Bmadd11 **G**  
same                      without you here

**Bm**                                      **A**  
I ll wish for shoulders  
**G\***  
bold and broad to bear  
**Bm**                                      **A**                                      **G\***  
And strength to hold my head above them

**Bm**                                      **A**                                      **G**  
Cause I just want to be something more than the mud in your eyes  
**Bm**                                      **A**                                      **G**  
I want to be the clay in your hands

**Bm D G**

Gloria is silent
