Mineral - Parking Lot

Intro: **D A G D** x 2

Bm **G** **D**
I wouldn't mind if you took me in my sleep tonight
Bm **G** **D**
I wouldn't even put up a fight
Bm **G** **D**
I wouldn't care if you took it all away today
Bm **G** **D**
I'm sure I wouldn't even miss the pain

Bm G x4

(**G**) **Bm** **G** **D**
But I know I've got to live my life
 Bm **G** **D**
And roll around on the ground and feel the strife
 Bm **G** **D**
And realize along the way that I'm nothing more
 Bm **G** **D**
Than a grain of salt in the salt of the earth
 Bm G
And everything is grace

Bm G x4

D Asus4 **Bm7** **G**
So come on with the darkness
D Asus4 **Bm7 G**
Come on with the fear
D **Asus4** **Bm7** **G**
Cause I've got to start somewhere
D **Asus4** **Bm7 G**
And it might as well be here

Bm D G **Bm D G**
When I'm finally naked and standing
Bm D G **Bm G**
in the sunlight
Bm D G **Bm D G**
I'll look back at all of this selfishness
Bm D G
and foolish pride
Bm D G
And laugh at myself

Bm D G

And laugh at myself
