

**Dino Damage**

**Miniature Tigers**

Capo on the 5th fret.

This was adapted from the previous version.

Chords(based off of capo position):

**E** - 022100

**A** - x02220

Intro - **E, A, E, A**

**E**

You ve got to let go when they get that old

**A**

You ve got to let go-o-o

**E**

Cause if you hold on they ll puncture your lungs

**A**

And separate your spine from your skull

**E**

You ve gotta let em go

**E**

You ve got to let go when they get that old

**A**

You ve got to let go-o-o

**E**

Cause if you hold on they ll bite your fingers off

**A**

And tear you limb from limb

**E**

It s second nature to them

**E**

You ve got to let go when they get that old

**A**

You ve got to let go-o-o

**E**

Cause if you hold on they ll tear your stomach open

**A**

And rip your guts out with their teeth

**E**

You ve gotta just release

If you want a second guitar can also play this bit:  
(relevant to capo position)

e-----]  
B--1--1--1--]  
G--2-42--42-3--] Repeat  
D-----]  
A-----]  
E-----]
