Ministry of Magic - Goodbye Privet Drive

I based this tab from the video of Luke and Jason playing it, so it may not be exactly

like the song on the cd (then again, its probly not exactly like the video either).

Probly isnt perfect, but hopefully its good enough to play along with the song. Corrections are welcomed!

**E**                    **Bsus**                    **E**  
Its gonna be a different year  
                         **A2**                                    **E**  
This is not the place for fear  
                         **Bsus**                                    **A2**  
Ive got a job to do.

**E**                    **Bsus**                    **E**  
Time to empty out my trunk  
                         **A2**                                    **E**  
No more use for all this junk  
                         **Bsus**                                    **A2**  
Im not going back to school.

**E**                    **Bsus**  
Hermione will be there  
**E**                    **A2**  
Thank god for Ron as well  
**E**                    **Bsus**                                    **A2**  
But in the end I know itâ€™s me  
                         **A2**                                    **C#5**  
Yeah, in the end its me.

**C#5**                    **E**                    **A2**                    **Bsus**  
Now Im finally on my own  
**C#5**                    **E**                    **A2**                    **Bsus**  
So far away from home  
**C#5**                    **E**                    **A2**                    **Bsus**  
And Im fighting all alone  
**C#5**                    **E**                    **A2** **Bsus**  
Ive got no place to call my own.

**E**                    **Bsus**                    **E**  
This is not just your burden  
                         **A2**                                    **E**

Its the definition of a friend

**Bsus E**

Got all we need in my bag.

**E Bsus E**  
When ron had to run and hide

**A2 E**

And I was broken up inside

**Bsus A2**

Still got a job to do now.

**C#5 E A2 Bsus**

Now Im finally on my own

**C#5 E A2 Bsus**

So far away from home

**C#5 E A2 Bsus**

And Im fighting all alone

**C#5 E A2 Bsus**

Ive got no place to call my own.

**E Bsus E**

I was weak and I messed up

**A2 E**

But now Im here to fight

**Bsus A2**

My deluminator has led me back.

**E Bsus E**

I was prepared to fight alone

**A2 E**

All by myself in the unknown

**Bsus A2**

But my best friends would not allow it.

Now weve got a job to do.

Chords of chorus over the woah-ing

**C#5 E A2 Bsus**

Cuz were finally on our own

**C#5 E A2 Bsus**

Weve made this place our home

**C#5 E A2 Bsus**

Now well never be alone

**C#5 E A2 Bsus**

Weve got this place to call our own.

**C#5 E A2 Bsus**

Cuz were finally on our own

**C#5**                            **E**    **A2**    **Bsus**  
Weve made this place our home  
**C#5**                            **E**    **A2**    **Bsus**  
Now well never be alone  
**C#5**                            **E**    **A2**    **Bsus**  
Weve got this place to call our own.
