

**Cannibal Song
Ministry**

Standard tuning. This is the whole song. It sounds good though. See if you can get a delay unit with infinite repeat to do it for you!

x50

```
G-----|
D*-----*|
A*-----8---7-8-*|
E--0--0-0-0-0-0---0-----|
```

Break for 1 whole riff.
Repeat above riff 41 times.
Break for 1 whole riff.
Repeat above riff 50 times.
On the 51st time hold the last note for a fair while.

Kinda like a cloud I was up, was up, way up in the sky and I was feeling
some feelings you wouldn t believe, sometimes I don t believe it myself and
i decided i was never coming down
Just then a tiny little dot caught my eye it was just about too small to see
but i watched it way too long, it was pulling me down....
