[VERSE1] (w/ main riff:

F E

all the locals hide their tears of regret
open fire cos i love you to death
sky high , with a heartache of stone
you ll never see me cos i m always alone

[CHORUS1] (FE x)

(argggg) ? ? ?
wake up (x14)

[VERSE2] (w/ main riff)

F E

how to love without a trace of dissent
i ll buy the torture cos you pay for the rent
tied high with a broken command
you re all alone to the promised land

[CHORUS2]

(arggggg) ???

intro riff

[SOLO] (w/ main riff) & hey samples

[VERSE3]

F E

i m in love with this malicious intent
you ve been taken but you don t know it yet
what you will know must never live to be found
cos it s the subject of the eyes of the drowned

[CHORUS2]
