

Revenge Ministry

There was no chord tab for this song, so I decided to try to play it on my acoustic guitar... here it is, I hope you ll like it ! This is a really easy and great song to play !

Note : These chords are based on the bass part I listened to. I think a Gm sounds better than a G, but with an acoustic guitar you can play a G...

Am : 002210
F : xx3211 (or 133211)
G : 320033 (or 320003) / or Gm : 355333
