

**Supernaut
Ministry**

From: * (Neil Gall)

There s only really two parts all the way through:
(this is from memory, and I only just learnt it the other day)

Intro, and chorus:

```
E | ----- |
B | ----- |
G | ----- |
D | ----- |
A | --5---5p3---3-5-5---5-x-5p3---3----- |
E | -----5-----5----- |
```

```
E | ----- |
B | ----- |
G | ----- |
D | -----5-----5p3---5-5-5p3--- |
A | --5--5p3---3-5-----5-----5- |
E | -----5----- |
```

Then the verse, which is: (all 5th/power chords)

D (weird bass riff) C C Bb C

For the solo I just play lots of repeating riffs
in D - that s a fair approximation to the Tony Iommi
lead. I wouldn t try to copy it exactly; I couldn t
do it justice, and I m not into learning solos note
for note anyway.

As for the key, I learnt to play it in in Db (my guitar
was tuned way sharp for some reason), I think it should
be in D, but our bass player wants to play it in E.
Its a magic song which sounds good in any key :-)
