

**If I Told You You Were Beautiful**  
**Minor Majority**

**C** **G**  
So, you want to play "truth or dare"  
**Dm**  
with a guy like me - see what's underneath  
**C** **G**  
when I'm as open as the clear blue sky  
**Dm**  
and as far away - but if you don't mind  
**C** **G**  
then I could sure use a girl like you  
**Dm**  
would you come with me if I asked you to  
**C** **G**  
If I told you, you were beautiful

**C G Dm**  
So long baby  
**C**  
your affection turns me on  
**G Dm**  
girl, you drive me crazy  
**F G**  
to be with someone when you're on your own  
**E F - Dm - C**  
girl, someone like you

**C G**  
4 am, I'm outside your house  
**Dm**  
your door is shut - but your window's not  
**C G**  
I spot your face as I turn away  
**Dm**  
there's a presence made - a yesterday  
**C G**  
and I could sure use a girl like you  
**Dm**  
but would you let me go if I asked you to  
**C G**  
If I told you, you were beautiful

**C G Dm**  
So long baby  
**C**  
your affection turns me on  
**G Dm**  
girl, you drive me crazy

**C G Dm**

so long baby

**C**

it's the singer not the song

**G Dm**

girl, that catches your fancy

**F G**

to be with someone when you're on your own

**E F - Dm - C**

girl, someone like you
