

What I Deserve  
Minor Majority

There were times, she cried, when I do wonder why

We re all so afraid to die

See her eyes getting wet by the third cigarette

Politely I asked her why

There s so many people around me, and it tears me apart

Seems I can t commit it all without breaking someone s heart

And when I m alone at the end of the day

There s no one to see if I m OK

And I do care for you, she said kissing my cheek

But you ll be gone by the end of the week

And if I was to wait for someone like you

Then I d have to give up what I do

**Dm A# C**

And I hate myself for telling you this

**Dm A# A**

But you re no enough she said, spotting her lip

**Dm A# C**

You might think I m a coward, and not having the nerve

**Dm C Dm**

But I m not what you deserve
