Words Fail Me Now Minuteman

chords used: **D**(XX0232) **A7**(X02020) **G**(320003) **EM**(022000) **F**(133211) **C**(X32010) **Bb**(X13331)

Verse 1

D A7 my heart is in a box G my heart is tied with strings EM the fools are stirring D i feel them moveing in A7 a moment moves quick G with a marking of time EM not a second to lose now F run and take my secrets and store my information with in

```
Chorus
```

EM i d wipe the tape and start to write another song вb i d wipe the slate and start to act like nothing is wrong \mathbf{F} i d chance to start again С $\mathbf{E}\mathbf{M}$ a frozen moment captured the photograph вb not disclosing what would happen in the aftermath EM words fail me now.

C

verse 2

same chords used:

My life is in a spin, my life is downward spiral the water slowly rises immersed me in myself involuntary movement, the spasms wrack my conscience not a second to lose now, I drag myself to saftey Hold that thought, I m coming back for more

Chorus same again

this band is quality and will do very well in the future and this song rocks! if there are any problems e-mail me at r.chumley@ntlworld.com enjoy Rob Chumley.
