TRANSATLANTIC TRUNK CALL from the album ME AND MR. RAY
_____
#(In each line the words start after the chords (C I get a phone call...))
I get a phone call tomorrow
I never knew a dime could bring such sorrow
Go away, you say
D
Go away, go away
#(same chords for all the verses)
I get a phone call tomorrow
The first time you call in a month or two
But good news takes time
But there s a lot of bad news on the line
I get a phone call tomorrow
I m staying here, I m not coming home
Time changes, why?
Time changed and so did I
I get a phone call tomorrow
I m happy now, I love you
Can I stay, I say
Can I stay, can I stay?
Ooooh whoooooh....
_____
The words are the words I hear - I think they are the words sung.
