by Nick

(use bar chords on the intro)

intro- C C#m B C#m D C#m B# Bm

A Bm  
you ve got me walking on a wire  
D Bm  
and got me thinking i can really do it.  
A Bm  
and every time that i m a failure,  
D Bm  
you ve got me falling into red hot fire.

A Bm  
come on girl, you ve got all the answers,  
D Bm  
they re hiding in the questions in the back of your mind.  
A Bm  
come on girl, you know we can do it,  
D Bm  
if they d only let us do it when we re doing were doin it right.

[Intro]

A Bm  
all the static on your phone line,  
D Bm  
has got me thinking of electrocution.  
A Bm  
bah dah dah dah dah dah dah  
D Bm  
i m taking up all your downtime.

A Bm  
come on girl, give me reassurance,  
D Bm  
cause i feel like a blemish on your porcelain face.  
A Bm  
come on girl, theres nothing that can stop us,  
D Bm  
if they d only let us do it when we re doin were doin it right.

[Solo]

(no chords but you could play the same chords)

A Bm D Bm  
i m so far away from the southern state.

**A** come on girl, i m flipping through your pages,  
**D** **Bm** skimming for the sentences related to me.

**A**                      **Bm**  
come on girl, you know we can do it,  
**D**    **Bm**  
if they d only let us do it when we re doin were doin it right.
