

Starting Over
Miracle Of Sound

[Intro]

C C G C

[Verse]

C

Step out into the sunlight

F C

Emerging from the past

F C G

To breathe the breezy morning air at last

C

We walk the sunken highways

F C

We wander riven roads

F C G

The emptiness becoming our abode

[Chorus]

F

We re starting over

C

Build something new

G F

We ve been a long long time awaiting

C

But we made it through

F

We re starting over

C Am

Red white and blue

G F

It s a brand new American dream

C

For me and you

[Instrumental]

C C G C

[Verse]

C

These West Virginia wildwoods

F C

Across a world of waste

F C G

A garden with no fences and no gates

C

We re building on the ashes

F

C

We re lighting up the towns

F

C

G

Our reclamation day has come around

[Chorus]

F

We re starting over

C

Build something new

G

F

We ve been a long long time awaiting

C

But we made it through

F

We re starting over

C Am

Red white and blue

G

F

It s a brand new American dream

C

For me and you

[Bridge]

Dm **F** **C** **G**

And like a mushroom cloud we rise and spread

Dm **F** **C** **G**

Over each road and mountain range

Dm **F** **C** **G**

New wars to wrangle and new blood to shed

Dm **F** **G**

We know that some things never change

[Chorus]

F

We re starting over (we re starting over)

C

Build something new (build something new)

G

F

We ve been a long long time awaiting

C

But we made it through

F

We re starting over (we re starting over)

C Am

Red white and blue

G

F

It s a brand new American dream

C

For me and you

G

F

It s a brand new American dream

C

For me and you
