F Am

There should be no hesitation

Bm Dm Am

When the coast is clear

Am

You got a right to slide right into place

C F

When the end is almost near

F Am

So you think you ve got some rotten deal

Bm Dm Am

What a way to compromise

Am

It s a long, long way before you get to claim

C F

That final prize

F Am

They re looking at that sorry face

Bm Dm Am

I can recognize that fear

Am

But if you keep on looking up at night

C F

The stars will all appear

F Am

See, there s food for me, there s food for you

Bm Dm Am

There s gold that s in the air

Am

There s oceans deep and wide

C F

And there is love beyond compare

F C

There s apples in the trees

C Dm7

Let s take all that we need

F C

We know what we believe

C Dm

There s hope for you and me

F C

My eyes can almost see

C G

That if you fight until you re free

C F

You don t have to wait until you die (repeat 6 or 7 times--the 7th fades out)
