

Gone Sugaring Mirah

The whole song is done in standard tuning with the same chord progression though out.

I split it up into two parts, part 1 is the finger picking part, and part two is the strumming part.

You can really do what ever you want with the finger picking, or just whatever sounds

to you :)

CHORDS:

G- 320003

C- x32010

Am- x02210

here it goes...

PART 1(finger picking):
