Intro:
F# C# G# Bbm
        Oh uh oh uh oh
F# C# G# Bbm
        Oh uh oh uh oh

Verse 1:
F#   **C#**   **G#**
  You just have to say what you need
and I ll hear you out
F#   **C#**   **G#**
  You don t have to hang in a scene
cause I ll be your crowd
F#   **C#**   **G#**
  I m on your side hold you up
when your falling down
F#   **C#**
  Anytime that you want me around
Fm   **Bbm**
  I ll be there at the speed of sound
F#   **C#**
  Anytime that you want me around
G#(hold)
I m there Oh uh oh

Chorus 1:

```
F# C#        G#
   Kiss you up
Bbm          F#
Oh uh oh uh oh
C#           G#
When you re down
Bbm          F#
Oh uh oh uh oh
F#          C#                    Fm
  Make you write through the night
        Bbm              F#
If you need a little love
      C#         G#
I ll kiss you up

Verse 2:
F#        C#                    G#
  Don t ever change cause I love
you the way that you are
F#                C#          G#
  No matter how dark it may be
I still think you re a star
F#             C#           G#
  And if you break I will come
an inches sweetheart
F#                   C#
  Anytime that you want me around
Fm                          Bbm
  I ll be there at the speed of sound
F#                  C#
  Anytime that you want me around
G#(hold)
I m there Oh uh oh

(Repeat Chorus 1)

Bridge:
Bbm                   C#
   Know how you re feeling
              Fm          G#
Don t need a reason to reveal it
Bbm              C#
  Remember to breathe in
                Fm
Never stop believing
        G#
You re extraordinary
G#(hold)
        Oh uh oh uh oh
```

```
Chorus 2: Piano
F# C#          G# Bbm
   Kiss you up
F# C#             G#   Bbm
   When you re down

(Repeat Chorus 1)

Outro:
F#           C#                    Fm
  Make you write through the night
        Bbm                F#
If you need a little love
     C#          G#(hold)
I ll kiss you up
```
