

Million Dollars
Miranda Cosgrove

C9 **Csus4** **F**
Singing you one more million dollars

C9 **Csus4** **F**
Singing you one more million dollars

C9 **Csus4** **F**
I don t think I believe in love

C9 **Csus4** **F**
And I don t need the place where I grew up

C9 **Csus4** **F**
Slipping by, finally got mixed up

C9 **Csus4** **F**
Because being me, it just ain t good enough

(**F E C**)

C9 **Csus4** **F**
I m gonna fight against the system

C9 **Csus4** **F**
And question my decisions

C9 **Csus4** **F**
After everything i ve given, with no return

C9 **Csus4** **F**
Singing you one more million dollars

C9 **Csus4** **F**
Singing you one more million dollars

C9 **Csus4** **F**
Because i m down on the floor

C9 **Csus4** **F**
Even though i ve been here before

Am7 **G/B** **F**
Singing you one more million dollars

C9 **Csus4** **F**
Sometimes I just don t understand

C9 **Csus4** **F**
If faith is real, then why don t we lose our friends

C9 **Csus4** **F**
Its how I feel, no I just can t pretend

C9 **Csus4** **F**
And now I ll do anything for the win

(**F E C**)

C9 **Csus4** **F**

I think i m gonna break tradition

C9 **Csus4** **F**

Go out and burn some bridges

C9 **Csus4** **F**

After everything I ve given with no return

C9 **Csus4** **F**

Singing you one more million dollars

C9 **Csus4** **F**

Singing you one more million dollars

C9 **Csus4** **F**
