

Raining Sunshine
Miranda Cosgrove

Very easy song to play. These are the chords but because of all the effects and keyboard

hard to hear the solo so there was no point in a tab.

Capo the 2nd fret on standard tuning guitars.

G **G** **Am** **C**
Sunshine, Sunshine, Raining, Sunshine

G **G**
When you think all hope is gone

Am **C**
There s a place somewhere beyond

G **G**
Take a chance and realize

Am **C**
It s right before your very eyes

Am
Leave the Dark clouds far behind

C **D C B A**
And step outside, the weather s fine
