Fine Tune

Miranda Lambert

Four the Record

Capo 2

G **Am**
Ive been missing all the vital signs
Bm **Am**
That I needed for love to work
G **Am**
Engine of a heart that would not start
Bm **Am**
Had to jump it so much it hurt

G **Am**
Every time I looked under the hood
Bm **Am**
It was always a mystery
G **Am**
You pulled up in the rescue truck
Bm **Am**
Showed up with a master key
Cmaj7
And revved it up for me

CHORUS

G **Am**
My pulse was nearly gone
Bm **Am**
I was almost in need of a defibrillator
G **Am**
I didnt know what went wrong
Bm **Am**
Had to shake it off but I got stuck
Oh my God
G **Am**
You turned all my loose strings
Bm **Am** **Cmaj7**
Youre the love innovator that brings all the right tools

G Am Bm Am

You know what to do fine tune

That I didnt even know was there

G Am

Kissing on my wrist all the way to my neck

Running your fingers through my hair

G Am

I felt like I was dizzy

Bm Am

And I didnt think I could drive

G Am

You flipped a switched hot wired my gears

Yeah you put me in line

And now I'm running right
