Girl Like Me " Miranda Lambert
(Capo 3rd Fret)

Cadd9 **G** **D**
You don t need a girl like me
Cadd9 **G** **D**
I ve got bruises you can t see
Cadd9 **G**
And when the lights go out
Em **G**
I won t be around
Cadd9 **D** **G**
You don t need a girl like me

Cadd9 **G** **D**
You can t have a heart like mine
Cadd9 **G** **D**
But you can hold it for a while
Cadd9 **G**
and when the lights go out
Em **G**
I won t be around
Cadd9 **D** **G**
You can t have a heart like mine

Cadd9 **D** **G**
There s a rule that goes unwritten
Cadd9 **D** **G**
And I break it from time to time
Cadd9 **D** **G**
If you re fool enough to listen
Cadd9 **G** **D**
Then I m fool enough to lie
Cadd9 **G** **D**
That s the kind of girl I am
Cadd9 **G** **D**
I take off before I land
Cadd9 **G** **D** **Em**
And even though you think you can
Cadd9 **D** **G**
You can t change the way I am

Cadd9 **D** **G**
Cause the rule remains unwritten
Cadd9 **D** **G**
