

Same Old You
Miranda Lambert

Some of the spacing is off- it just won't stay put when I try to post it! This is my first, feedback is welcome - I'm learning all the time!

G

So here you are

G

In your borrowed car

G

Kicking rocks around

G7 **C**

Looking at your shoes

G

It's the same old you

G

Tell me where you been

G

And where you're going to

G

Where were you last night

G **G7** **C (Am?)**

Boy listen up when I'm talking to you

Am **G**

It's the same old you

D

Another lonely night

C

G

With that same old whiskey morning

CHORUS:

C

It's the same old you

C

When you get to drinking

G

The same old you

G

When you're on the town

C

The same old you

C

In church on Sunday

D

D7

Getting high when the sun goes down

G

Well this time I done some thinking

C

And I think I m done with you

D

D7

Cause until I get to leaving

C

G

It s just the same old me too

G

Well your mama s gonna cry her eyes

G7

C

There ain t gonna be no wedding day

G

What s she gonna say?

When I tell her how I had no choice

G7

The same old you couldn t even raise your voice

C

And ask me to stay

G

I wouldn t anyway

D

So you can keep your ring

C

G

And I ll keep my daddy s name

CHORUS
