

**Thats The Way That The World Goes Round**  
**Miranda Lambert**

Hey everyone this is my very first tab sounds good in my head so hope it works for you!

Capo 2

**G**

I know a gal got a lot to lose

**C9**

She s a pretty nice lady but sheâ€™s kinda confused

**G**

Got muscles in her head ain t never been used

**D**

Thinks she owns half of this town

**G**

Starts drinking heavy gets a big red nose

**C9**

And she beats her old man with her pantyhose

**G**

And takes him out and buys him new clothes

**D**

**G**

That s the way that the world goes round

**G**

That s the way that the world goes round

**C9**

One minute youâ€™re up and the next youâ€™re down

**G**

It s a half an inch of water and you think you re gonna drown

**D**

**G**

That s the way that the world goes round

**G**

Well I was sittinâ€™ in the tub just a countinâ€™ my toes

**C9**

When the radiator broke and the water froze

**G**

Got stuck in the ice without any clothes

**D**

Naked as the eyes of a clown

**G**

I was crying ice cubes hoping that I d croak

**C9**

When the sun came through the window and the ice all broke

**G**

I said son of a gun man thatâ€™s just a joke

**D**

**G**

And that s the way that the world goes round

**G**

That s the way that the world goes round

**C9**

One minute youâ€™re up and the next youâ€™re down

**G**

It s a half an inch of water and you think you re gonna drown

**D**

**G**

That s the way that the world goes round
