

**Theres A Wall**  
**Miranda Lambert**

[Verse 1]

**D** I d run away but I can t escape the power of your pride  
**C G D**  
**D** Your eyes are cold like an empty soul and I m burning up inside  
**C G D**  
**A** There s nothing wrong with letting go and you re still diggin in  
**G**  
**A** We re racing to the bottom and I can t find the end  
**G**

[Chorus]

**D C G**  
And there s a wall, standing here between us  
**D C G**  
And that s all that s keeping you from freedom  
**A G**  
And I keep pushing harder and you keep getting stronger  
**A G**  
You won t break cause you re afraid you ll fall  
**D**  
And there a wall

[Verse 2]

**D** You love me when you want to and you find reasons to fight  
**C G D**  
**D** Another lame excuse to keep the devil on you side  
**C G D**  
**A** Trying hard to hide those scares that I ve already seen  
**G**  
**A** Your beat up heart s not the only thing that s keeping you from me  
**G**

[Chorus]

**D C G**  
And there s a wall, standing here between us  
**D C G**  
And that s all that s keeping you from freedom  
**A G**  
And I keep pushing harder and you keep getting stronger  
**A G**  
You won t break cause you re afraid you ll fall  
**D**  
And there a wall

[Bridge]

**Bm** **G**  
Pain has made you weak and hard

**Bm** **G**  
I will never be as strong,

**C G**  
As strong...

[Chorus]

**D C G**  
And there s a wall, standing here between us

**D C G**  
And that s all that s keeping you from freedom

**A G**  
And I keep pushing harder and you keep getting stronger

**A G**  
You won t break cause you re afraid you ll fall

**D**  
And there a wall
