

Push Play

Miriam Bryant

[Verse 1]

F#m **D**
With my words across your face,
 A **E**
youâ€™re making up stories of your own.
F#m **D** **A**
Little bits of white paper,
 E
in pockets deeper than you know.

[Pre-Chorus]

F#m **D** **A**
You painted black upon the whitest lies
 E
youâ€™ve seen them fall, you have seen them rise,
F#m **D** **A** **E**
you painted black upon the whitest lies, lies, your lies.

[Chorus]

F#m **D** **A**
Push play, stop rewind
 E
you drown your heroes in red wine.
F#m **D** **A**
Push play, stop rewind,
 E
you drown your heroes in red wine.

[Instrumental]

F#m â€" **D** â€" **A** â€" **E**
F#m â€" **D** â€" **A** - **E**

[Verse 2]

F#m **D** **A** **E**
Close enough to see your hands sneaking out of these embrace
F#m **D** **A** **E**
paper thin whispering breaking in

[Pre-Chorus]

F#m **D** **A**
You painted black upon the whitest lies
 E
youâ€™ve seen them fall, you have seen them rise,
F#m **D** **A** **E**
you painted black upon the whitest lies, lies, your lies.

[Chorus]
