

**Adventure Time - Evolution Song**  
**Misc Cartoons**

**G**  
Evolution s a natural process,  
But it s not exactly the fastest.  
You can reach your potential with just a little help.

**G** **C**  
Get some light surgery and shake off the anesthesia,

**Em**  
And you ll see that science has made you more

**D**  
special,  
With just a little help.

**G** **C**  
Step into my menagerie,

**Em**  
One look at my lab and you ll see,

**D**  
The opposite of extinction, nature leveled up.

Finn: [talking] Wow, these dudes look mad advanced.

Jake: [talking] They re mash ups, bro.

**G** **C**  
A shark that breathes air and likes to eat cheese,  
Susan: [gasps]

**Em** **D**  
A really fast chick with wasp wings.

Jake: [talking] Click!

**G** **C**  
An electric eel powered by wind,

**Em**  
When it s dark, that eel s ideal.

**D**  
And one of my best hybrids, a guy that knows what time it is.
