[Verse 1] [SA LUK:]

Am E
I remember a time when crime was sublime

There was plenty of loot in the lair

Then along came this king with his soft-hearted dream
Dm D#m
But he ratted us out in the end,
Am Dm E
So rally the troops! We were meant to regroup and return to our roots once
again!

[Chorus 1]

Dm **D#m**
 Now we re taking a bath in the dust!
Am **Dm** **E**
 But we ll reclaim our winnings, our humble beginnings, in turmoil and torture we
 trust!

[Chorus 2] [SA LUK:]

Am E Am
 Are you in or out?
Am **E**
 Double-crossers or devout?
E
 Put your faith in me,
E
 Pretty soon you ll see
Am **E**
 I m the prince of generosity

Am E Am
 Are you foe or friend?
A Dm
 Here s the path I recommend
Dm **Am**
 You want a ride to fame? I ve got the fastest route;
E E E
 What s it gonna be?

[Bridge] [THIEVES:]
