

Alice In Wonderland - In A World Of My Own
Misc Cartoons

This is a song from the movie Alice in Wonderland in 1951. Sung by Alice, who is voiced by Kathryn Beaumont, including a dialog which is omitted in the soundtrack.

The chords are ear-transcribed and hopefully it is correct, it should be =)

The instrumental in the front is mostly in the key of E#, then it changes to G#.

Then when the singing starts, the song is in the key of G#, then on the second verse, it changes to the key of A#, then the next verse would be in the key of G#.

In the chorus, it is all in the key of G# but in the middle would be in the key of A# then back to the key of G#. But in my opinion, I don't think guitars will do good with orchestra for the change of tempo. So, I am only covering the singing. Enjoy! (:

CAPO 1st fret.

Cats and rabbits

Would reside in fancy little houses

And be dressed in shoes

In a world of my own

Would have very

Extra special powers

They would sit

And talk to me for hours

When I'm lonely

There'd be new birds

Lots of nice and friendly

How-do ya do birds

Everyone would have

A dozen blue birds

Within that world of my own

I could listen to a babbling brook

I keep wishing it could be that way
