

D **A**
Two voices, one song

(Verse 2:)

F#m **D** **A**
Now every day is something new
F#m **D** **A** **E**
And any path we take I m looking forward too
D **A**
The way we try and never quit
D **A**
The way that all the pieces fit
D **A**
The way we know the parts by heart
E
And sing out loud

(Chorus:)

A **E**
If I could wish for one thing
D **F#m**
I take the smile that you bring
A **E** **D**
Wherever you go in this world I ll come along
A **E**
Together we dream the same dream
A **D**
Forever I m here for you, you re here for me
F#m
Oh ooh oh
D **A**
Two voices, one song

(Bridge:)

E **A**
And anywhere you are you know I ll be around
E **A** **D**

I take the smile that you bring
