Family Guy - Buy Me A Rainbow

[Verse]

**C**                      **F**                      **C**                      **F**  
Cloudy skies and rain clouds have come to stay  
**C**                      **F**                      **Bb**                      **G**  
Windy nights and sad sights won t go away (sha-la-la-la-laa)  
**Em7**                      **Dm**                      **Fmaj7**  
But I want to be without a care  
**F**                      **G7**                      **C**  
Unicorns and butterflies everywhere

[Chorus]

**C**                                      **C7**                                      **F**  
Gonna, gonna, gonna, gonna, gonna, gonna buy me a rainbow  
**C**                                      **C7**                                      **F**                                      **G**  
Gonna, gonna, gonna, gonna, gonna, gonna, wrap it up in a great big bow  
**Am**                      **Ammaj7/G#**    **Am7/G**    **Am6/F#**  
The time is right, it s day not night  
                    **F**                      **G7**                                      **C**  
Just open up your heart It ll be all right  
**C**                                      **C7**                                      **F**  
Gonna, gonna, gonna, gonna, gonna, gonna buy me a rainbow
