Family Guy - Buy Me A Rainbow

[Verse]

**C#**                      **F#**                      **C#**                      **F#**  
Cloudy skies and rain clouds have come to stay  
**C#**                      **F#**                      **B**                      **G#**  
Windy nights and sad sights won t go away (sha-la-la-la-laa)  
**Fm7**                      **Ebm**                      **F#maj7**  
But I want to be without a care  
**F#**                      **G#7**                      **C#**  
Unicorns and butterflies everywhere

[Chorus]

**C#**                                      **C#7**                                      **F#**  
Gonna, gonna, gonna, gonna, gonna, gonna buy me a rainbow  
**C#**                                      **C#7**                                      **F#**                                      **G#**  
Gonna, gonna, gonna, gonna, gonna, gonna, wrap it up in a great big bow  
**Bbm**                      **Bbmaj7/G#**      **Bbm7/G**      **Bbm6/F#**  
The time is right, it s day not night  
                    **F#**                      **G#7**                      **C#**  
Just open up your heart It ll be all right  
**C#**                                      **C#7**                                      **F#**  
Gonna, gonna, gonna, gonna, gonna, gonna buy me a rainbow
